

Office Safety Inspection Checklist

Instructions: This checklist addresses responsibilities and possible safety hazards which may be present in an administrative work location. This form is to be completed by employees who have been trained to perform safety inspections. To complete the checklist, employee interviews and some records review will occur. Upon completion, the form is provided to all managers and supervisors at the work location and one copy is provided to the safety coordinator. For any items checked "Unsatisfactory", an explanation must be provided on an attached sheet. Feel free to edit this form to suit your workplace.
